NOTES

- 1 Covers the period from September 1, 1990 (the formation of Waukesha Catholic) through the 2010 track season.
- 2 A time designated as (FAT) indicates time was recorded using fully automatic timing technology. When comparing a fully automatic time to a hand held time an upward adjustment is made to the hand held time as follows: 0.24 seconds is added for distances up to 200 meters and 0.14 seconds is added for 400 meters. For example, a hand held time of 20.50 seconds in the 200 meter is the same as a fully automatic time of 20.74 seconds. The hand held times shown in these records do not include these adjustments.
