Teacher Convention

There will be no school on Thursday, October 9th or Friday, October 10th because of a teacher convention.

Scrip

Scrip orders for the week of October 6th were \$23,094 with \$900 in profits. Scrip is easy to order online at www.shopwithscrip.com. The \$10 Scrip certificate contest winners from Monday, September 29th are Karen Winegar, Martha Hallett, and Chadd Frank. Thank you for using Scrip! Scrip will be filled and sent home on Wednesday, October 8th if all vendor deliveries are received.

Catholic Knights

In your packet today there is a packet from Catholic Knights giving you the opportunity to purchase term life insurance for your children for \$30 per year. It is convertible to a \$50,000 permanent life insurance policy at age 23 regardless of health. This is a distinct advantage to buying the policy now. It means your child would be insured as an adult, even if illnesses such as childhood diabetes or other serious diseases might strike him or her before the age of 23. Catholic Knights has been very generous to Waukesha Catholic. I ask you, or perhaps your child's grandparents, to consider this investment. I also need you to know that the main reason I am promoting this is because I think it is a great program that can benefit your children especially as young adults. Secondly, Waukesha Catholic will benefit \$20 from each policy sold by October 15th.

Carolyn Caruso, Director

Volleyball - 6th Grade Girls' Volleyball

Congratulations to two of our 6th grade girls' volleyball teams who participated in the St. John Vianney Tournament this weekend. The Championship game turned out to be a head-to-head competition between WCSS Red (Coach Smith) and WCSS Blue (Coach Radtke), with the Blue team taking 1st place. Thank You Grandparent/Special Person's Volunteers

Thank you to all the parents who were involved in Grandparents/Special Person's Day! The baked goods were fabulous and we received many praises for the yummy treats. Ushers, greeters, hall monitors, set-up, clean-up, and serving parents were a huge help. This day would not be possible without all the help and support of our parents! Thank you also to all the teachers and the office staff who all put in a lot of time preparing for this day. We appreciate all the help we received.

Recycle Your Inkjet, Laser Cartridges and Cell Phones

Just a reminder that St. Mary School participates in a program that provides an opportunity for schools and their communities to save empty laser and inkjet cartridges and cell phones in exchange for cash or over 5000 free hardware and software technology products. Currently, we are collecting all empty inkjet and laser cartridges. Please be sure the laser ones are cartridges; we cannot recycle any film roller or ink tanks, only cartridges. Bag cell phones do not qualify, but most others do. Please place any empty inkjet or laser cartridges or cell phones in or next to the box by the front door at St. Mary School. This program is being coordinated by Mrs. Trebby in the Library, so please direct any questions to her, 896-2932, extension 337. Thank you!

Library Fines to Begin

As of October 15th, we will begin charging fines on overdue books. Anyone who has ever talked to Mrs. Trebby about over dues knows this is the least favorite part of her job. She dislikes sending overdue notices, but has found no other way to assure the books come back to the Library. Special consideration is given for A.R. books. Fine monies collected are used to buy replacement books. The fine will be 5 cents per school day that the book is not returned. No fines will be charged for weekends or any day the school is closed. Also, every student is given a 3-day grace period before fines begin. Starting next week, a notice will be sent home if a book is overdue, stating when the book was due, its title, and the amount of the fine.

Books checked out of St. Mary's School Library have a two week loan period; they will be due two weeks from the date they are checked out of the library. They should have a blue Date Due card in the pocket of the book indicating when the book is due. If there is no blue Date Due card in the book, have the student check in the library to get one.

The only exceptions are for K4 and K5 students. Their books have a one week loan period and are due the same day of the week as Library day the following week. As always, if you have any questions about this or any other library matter, please contact Janis Trebby, extension 337, at the school.

Save Those Milk Caps

Here is an easy way to help your schools! Save specially marked milk caps from Kemps, Golden Guernsey, Swiss Valley, Milk Moola (this includes caps and bags from Kwik Trip), Land-o-Lakes etc, wash the lids and send them to your child's school. The caps will be sorted, counted and redeemed for cash.

Box Tops

Don't forget to send in the trimmed Box Tops from General Mills. Mrs. Jaynes will be sending them in at the end of the month.

Thank you for your participation! Final results will be published when we have the completed totals. Lunch with the principal and principal for the morning will be announced when we get the final totals.

We wish to thank Kim Vaughan, for coordinating the magazine sale at St. William Campus. She decorated the prize table and collated the family names for all prize drawings. Thank You!

Penny Drive

The next penny drive will be in November, we will donate our collection to the St. William Parish St. Vincent de Paul Society. This group helps with the needs of the poorest members of our community.

The food will also be collected and donated to those in need. The money will be given to the St. Vincent de Paul Society to be distributed for the physical and shelter needs of the people we help.

Picture Retake Day

The classroom activity pictures were not taken last week. We will call to reschedule these pictures as soon as possible.

Playground Supervisors

Thank you to all the parents who have volunteered to help supervise the children during lunch recess. This allows the teachers to spend a few minutes (usually 15 to 20) away from the classroom. If you can help we still need one parent on Monday's.
