## Easter Greetings!

I hope you all had a restful and good break!

As our children and friends may spoof us with an April Fool's prank, we recall that as St. Paul says, we are fools for Christ. In today's liturgy we sing, "Let us shout out our joy and happiness and give glory to God, the Lord of all, because He is King, Alleluia."

The reading from Mass today reminds us that in the early Church "the community of believers was of one heart and mind and no one claimed that any of his possessions was his own, but they had everything in common. With great power the Apostles bore witness to the resurrection. There were no needy people among them..." All this is being part of being a "fool" for Christ. And it begins at home. Who is most needy among your family, your friends, your neighbors? Is it emotional neediness? Spiritual? Who needs nurturing? Who needs financial support? These are the Easter questions. Where does new life need support to blossom? How can we nurture it?

+++++

In your packet today there is a packet from Catholic Knights giving you opportunity to purchase term life insurance for your children for \$30 per year. It is convertible to a \$50,000 permanent life insurance policy at age 23 with no proof of insurability. The non proof of insurability is a distinct advantage to buying the policy now. It means your child would be insured as an adult, even if illnesses such as childhood diabetes or other serious diseases might strike him or her before the age of 23. Catholic Knights has been very generous to Waukesha Catholic. I ask you, or perhaps your child's grandparents, to consider this investment. I also need you to know that the main reason I am promoting this is because I think it is a great program that can benefit your children especially as young adults. Secondly, Waukesha Catholic will benefit \$15 from each policy sold.
