MOVING GOOD TO GREAT

Welcome back ...and welcome to our many new families!

We are looking forward to a great year! We are on a mission to help your children develop into well educated, caring and confident individuals who lead Christ-centered lives and are inspired to build a better world.

After being here for two years I can say with confidence that we are a very, very good school system. This year we have all the structures in place to become a GREAT Catholic school system!

What does that mean? It means three things. First of all we are deeply passionate about doing everything we can to help your children learn—learn in the academic fields, learn through sports, learn by interacting respectfully with each other and with all whom they come in contact, learn through music and the arts and learn through both quiet and participative prayer and worship.

Secondly, we believe we can be the best in the world at what we do. We are not there yet, but that is what we are striving to do and to be. Because of the world in which we live "best" is a moving target. What was best three years ago is not best today. We are committed to being "best" in living out the solid values of Christianity and the tried and true educational methods where children become life-long learners. The use of technology in education opens many opportunities for our young people. We are steadfast in our desire to provide the best technology for communication, administration and learning. To do this we need to secure the required resources and the draw upon the expertise of our parents and others in the community.

Thirdly, to be great we need to know what drives our "resource engine." According to Jim Collins in *Good to Great*, non-profit resource engines are driven by the time, talent and treasure of those who believe in the organization. We know and appreciate that you and our parish communities are primarily what drives our "resource engine." Your financial support, your volunteering for a myriad of projects and your spreading the good news about Waukesha Catholic is what is driving our "resource engine." Taking the time to thank the staff at the campuses inspires them to keep on striving for greatness for the sake of your children. The fine staff of Waukesha Catholic and our supportive pastors are critical to driving our "resource engine." Thanks for being on the bus with us as we as a learning community begin the journey of a new school year and pray with the grace of God that we can successfully live out our mission.

NEED TO KNOW

Safeguarding Newsletter

To get the August 2007 issue of the Safeguarding All God's Children Newsletter go to www.archmil.org/safeguarding under the heading resources. Any new volunteer needs to register for the 3 hour in-service and be trained. See the school principal for more details.

FUNDRAISERS

SCRIP

We are excited to continue the Scrip program this year. The excitement is building as more families participate and take advantage of the rebate in the form of tuition credit. Start ordering early in the year to take the maximum advantage. Please return your Scrip contract form if you plan on ordering Scrip this year. Not sure what Scrip is? Ask another family who is using it. They can give you all the great details!

- ❖ A new vendor has been added: Subway, \$10 at 3%. They are all over town – at Silvernail, Meadowbrook, downtown at Avalon Manor and at 1120 Delafield Street. This card has no expirations and no fees.
- ❖ Chili's has changed from \$20 to \$25. Circuit City has changed from \$50 to \$25.
