Accreditation Visit Next Week

A team of 14 will be visiting the three campus locations on Oct. 4th, 5th and 6th. They will be observing, interviewing and reviewing files and information.

This is the site visit by the Archdiocese and peers from other schools. They review our processes and procedures. This is part of a seven year evaluation cycle. The standards that we are required to maintain go beyond the Wisconsin State School requirements and include Catholic Identity and high accountability in academics.

The system has been preparing documents, documentation and artifacts for an entire year. We thank teachers and parents who have taken an active role in this planning and those who will take part in the interview process.

If you see any visitors, stop and say hello!

Grandparents Day

We had a wonderful group for Grandparents' Day. We were blessed to have so many grandparents/special friends spend their time with the students.

We thank all the families who donated baked goods, as well as the Home and School Association who sponsored the social. Special thanks to the H & S Representatives: Rena Fitzpatrick, Lendie Provenza, & Lori Van Galen, and their helpers for the day – Sandi Ammerman, Kris Bartels, Sara Carson, Karen Chyla, John Davis, Erin Dutter, Corey Grayson, Kellee Grob, Deb Lammers, Pam McWilliams, Shelly Nevins, Ed Ramthun, Jennifer Roubik, Margaret Dunn-Watson, Trish Wieczorek, Colleen Wolbert. THANK YOU !

Magazine Drive

The magazine drive is over for this year. We wish to thank our families for their support of this important fund-raiser, and thank Sally Jarmuskiewicz for coordinating this event. If you did not participate, but wish to order at a later date, credit will still be given to our school if you enter online at QSP.com with our school code 1115313. Thank you!

Penny Drive

The Penny Drive raised \$225 for the National Kidney Foundation of Wisconsin. The 4th grade brought in almost \$65, and they are the winners of a non-uniform day! This date will be decided on by the teacher. Thank you for supporting this charity!

Keep saving up your pennies; the next Penny Drive will be sent to the St. William St. Vincent De Paul Society.

Market Day

Market Day pick-up tomorrow from 3:30 to 4:30 in the PARISH HALL.

Blessing of Animals

On Tuesday October 4th we will celebrate the Blessing of Animals (the feast day of St. Francis of Assisi). We will begin at about 8:40 outside on the grassy area on the south end of school. The children may bring pets from home (which their parents must bring and take home immediately after the blessing), or they may bring a favorite stuffed animal or a picture of their pet to be blessed. We would ask the children to line up as usual to drop off their book bags before school. All are welcome to join us at this prayer service.

Picture Retake Day

School picture retakes are scheduled for this Wednesday, October 12th.

We will also be taking school activity pictures for the Memory Book on this day.

- Please call the school office if you would be able to volunteer for 1-1½ hours to help escort children for picture retakes. We would like to have two people to take the children back and forth from their classroom to the Parish Hall.

Safeguarding

On October 6th from 6:30 -9:30, St. William will be hosting a Safe Environment Education Class. This class is one of the steps required by the Archdiocese of Milwaukee for working with the school children. If you plan on chaperoning a field trip, helping with a school party, or volunteering with the children in another way, this is a good opportunity to start the process of completing the requirements. To register for the class, please visit www.archmil.org. In addition to the Safe Environment Class, you are also required to read online documents and complete a background check.
